

Client Code Modification and Error Code Policy

➤ **BRIEF CRITERIA ABOUT CLIENT CODE MODIFICATION**

Stock Exchanges provide a facility to modify client code after the trade has been executed to rectify any error or wrong data entry at the time of punching orders. However, such Client Code Modification is subject to certain guidelines issued by SEBI and the Stock Exchanges in this regard. "Error Trades" means the trades which will be modified / to be modified / allowed, to be modified subject to guidelines of the SEBI / Stock Exchanges and this policy. The Exchange has provided the facility of client code modification only with a view to rectify genuine errors.

The facility is mainly to provide a system for modification of client codes in case of genuine errors in punching / placing the orders. It is to be used as an exception and not a routine. To prevent misuse of the facility Stock Exchanges levy penalty / fine for all non-institutional client code modifications.

This policy is applicable to all Client Code Modifications carried out / to be carried out in any of the client accounts, subject to guidelines issued by the SEBI / Stock Exchanges from time to time, in any segment of any exchange of which the company is a Member.
